

2025 KIS

ENGLISH SUMMER SCHOOL

☀️ Discover a World of Fun and Learning! ☀️

This summer, embark on an unforgettable journey at our English Summer Camp in the heart of Hong Kong! Designed for young adventurers, our camp combines language learning with exciting themes that spark imagination and creativity.

7th July – 1st August (09:00–12:00)

For Kids(2013.1.1 – 2020.12.31)

With KIS Eng. Homeroom Teachers

Details and Registration

General Information

English as a Second Language

This program is specially designed for children who may not be confident in their English skills. The program is conducted by our experienced English homeroom teachers from the Korean International School.

1. Improve Basic English Skills

Learn essential grammar and vocabulary to master everyday English expressions.

2. Provide Enjoyable Learning Experiences

Through games and stories, students will naturally learn English and discover the joy of learning.

3. Enhance Social Skills

Engage in various team activities to collaborate with friends and develop communication skills.

Summer Program

● Program Themes

	Kindergarten	Grade A	Grade B	Grade C
Week1	Summer Around The World	Fairy Tales	Summer Fun	Around the Globe
Week2	Superheroes	Inside Out	Food Galore	Yum Around the World
Week3	Pirates & Mermaids	Wild Wonders	Nature's Playground	Aqua Adventurers
Week4	Circus	Space Explorers	Adventure Awaits	Time Travellers

● Kindergarten(2019.1.1.~2020.12.31.)

This summer, we are thrilled to introduce our innovative programme designed to ignite children's imagination and enhance their skills. Each week, children will embark on an exciting journey through diverse themes, sparking their curiosity and expanding their knowledge. Whether they are exploring summer traditions around the world, assisting heroes on daring missions, or running a circus, each theme will be brought to life through interactive activities and hands-on experiences.

Our summer programme offers rich learning opportunities that support various aspects of each child's development, ensuring that the learning journey is always engaging and enjoyable. Children will participate in a wide range of activities, including Theme Topic discussions, STEM projects, Phonics lessons, Drama workshops, Physical Education, Music & Movement sessions, and explorations of Worldwide Culture.

By immersing children in these dynamic and educational experiences, we aim to foster a love for learning and help them develop essential skills

that will benefit them throughout their lives. Join us this summer for an unforgettable adventure that combines fun, creativity, and education!

Programme Highlights :

1. **Global Exploration:** Children will embark on a journey around the world, discovering different cultures, traditions in Summer through interactive activities and storytelling.
2. **Heroic Adventures:** Kids will step into the shoes of heroes, solving puzzles and completing missions that challenge their problem-solving and teamwork skills.
3. **Circus Fun:** The circus theme will bring excitement and creativity, with children learning about circus arts, performing tricks, and engaging in fun physical activities.
4. **Interactive Learning:** Each theme is designed to be hands-on, encouraging children to actively participate and immerse themselves in the learning experiences.
5. **Phonics:** Children will explore the sounds that make up words, using engaging activities to develop their phonemic awareness.
6. **Letter-Sound Games:** Fun and interactive games will help children learn the relationship between letters and sounds, making the learning process enjoyable.
7. **Reading and Writing Activities:** Children will practice blending sounds to read words and segmenting words to write them, improving their literacy skills.

3	Phonics	Phonics	Phonics	Phonics	Phonics
4	Music & Movement	Worldwide culture	Worldwide Culture	Music & Movement	Music & Movement

● Grade A (2017.1.1.~2018.12.31.)

Are you ready for an unforgettable summer filled with adventure, creativity and learning? Dive into a world of discovery with our dynamic English summer school program, designed to captivate young minds with four enchanting themes: Fairy Tales, Inside Out, Wild Wonders and Space Explorers. Each week, students will embark on a new journey, discovering the magic of stories, the wonders of the human body, the beauty of animals and nature, and the mysteries of the universe.

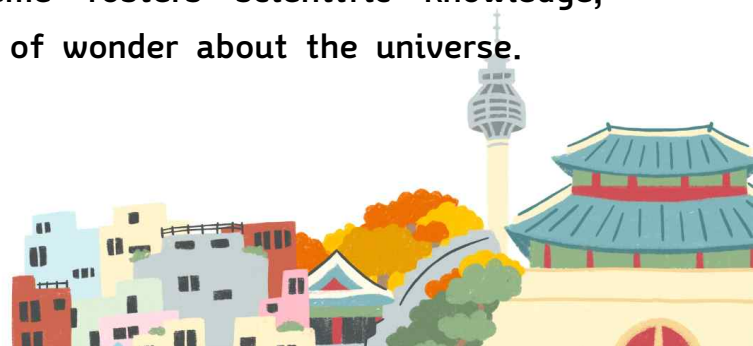

Themes:

Fairy Tales: Step into a realm of imagination where students will dive deep into a variety of classic fairy tales that will come to life! The stories will ignite imaginations and develop reading comprehension, vocabulary, storytelling and artistic skills.

Inside Out: Explore the fascinating world of emotions and the human body. Students will learn about all their different feelings and body parts, create art projects that express their emotions and discover how their bodies work with interactive STEM activities.

Wild Wonders: Jump into the far corners of the Earth to learn about a number of diverse animals and their habitats, and engage in exciting outdoor activities. This theme encourages a love for nature and environmental awareness.

Space Explorers: Blast off into space to explore the cosmos! Students will learn about planets, stars and galaxies, create space-themed crafts and participate in hands-on STEM experiments. This theme fosters scientific knowledge, creativity and a sense of wonder about the universe.

Activities:

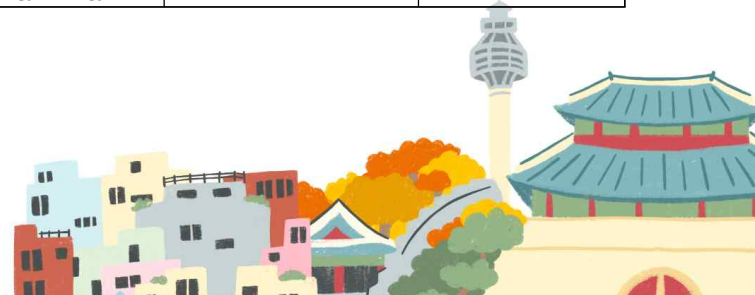

Our program includes daily phonics lessons to strengthen reading skills, art projects that complement each theme, fun and educational STEM activities that encourage scientific inquiry and problem-solving, and cultural activities to broaden their understanding and knowledge of the world. Each day is packed with fun and educational experiences that will keep your child engaged and excited to practice and learn English.

Learning Outcomes:

1. **Vocabulary Acquisition:** Students will expand their vocabularies related to themes and basic knowledge enhancing their ability to communicate in English
2. **Phonics and Reading:** Students will recognize and articulate letters and phonic sounds, improving their ability to decode words
3. **Speaking and Listening:** Students will engage in conversations, asking and answering questions related to topics studied
4. **Writing Skills:** Students will practice writing letters and simple sentences about topics covered
5. **STEM Understanding:** Students will participate in hands-on STEM activities, using English to describe observations and results
6. **Cultural Awareness:** Students will identify and discuss cultural elements from stories and activities, enhancing their understanding of diversity
7. **Artistic Expression:** Students will use art to illustrate their understanding of topics, applying descriptive language in their explanations

Timetable:

2	Phonics/ Grammar	Phonics/ Grammar	Theme	Phonics/ Grammar	Phonics/ Grammar
3	Worldwide Culture	Phonics/ Grammar	Phonics/ Grammar	Phonics/ Grammar	Worldwide Culture
4	Art	STEM	Phonics/ Grammar	STEM	Art

● **Grade B(2015.1.1.~2016.12.31.)**

Join us for an exciting summer camp designed to enhance your English language skills while exploring the beauty of nature and diverse cultures! This immersive program will empower participants to communicate confidently in English, expand their vocabulary, and appreciate the richness of our world. Throughout the camp, campers will engage in a variety of summer-related activities that promote teamwork, creativity, and fun. Daily sessions will focus on the fundamentals of grammar and phonics, providing the tools needed to strengthen language skills and boost confidence in communication.

Themes:

Summer Fun

Kick off the summer with exciting games and activities that celebrate the season! Campers will participate in games, arts and crafts, and team-building exercises, all while practicing their English communication skills in a lively atmosphere.

Food Galore

Dive into the delicious world of food! Campers will explore different cuisines, learn new vocabulary related to food, and even participate in fun cooking activities. This week will promote creativity and teamwork as children share their culinary experiences.

Nature's Playground

Discover the wonders of the great outdoors! Campers will engage in and learn about nature, plants and animals, and participate in hands-on activities that highlight the beauty and importance of our environment. English lessons will focus on vocabulary related to nature and the ecosystem.

Adventure Awaits

End the camp with thrilling adventures! This week will include exciting challenges, treasure hunts, and imaginative play that encourages

problem-solving and collaboration. Campers will use their English skills to navigate activities and share their experiences with peers.

Join us for a summer full of exploration, learning, and unforgettable memories!

Learning Outcomes:

- 1. Effective Communication:** Participants will demonstrate the ability to communicate confidently in English, engaging in conversations and expressing ideas clearly.
- 2. Expanded Vocabulary** Campers will learn and utilize a wide range of new words, enhancing their vocabulary and ability to articulate thoughts in various contexts.
- 3. Cultural Appreciation** Participants will develop an appreciation for global cultures, exploring traditions, customs, and perspectives from diverse communities around the world.
- 4. Enjoyment of Summer Activities** Campers will actively participate in and enjoy summer-related activities, fostering teamwork, creativity, and a sense of community.
- 5. Understanding of Nature** Participants will gain knowledge about local flora and fauna, recognizing patterns and behaviors of plants and animals during the summer season.
- 6. Grammar and Phonics Mastery** Campers will improve their understanding of grammar and phonics, applying these concepts to enhance their written and spoken English skills.

● Grade C(2013.1.1.~2014.12.31.)

This program is designed for Grades 5-6 students and welcomes all English skill levels. Over 4 exciting weeks, students will explore four unique weekly themes: *Around the Globe*, *Yum Around the World*, *Aqua Adventurers*, and *Time Travellers*, through a variety of subjects including English Activities, Phonics & Grammar, STEM, Worldwide Culture, Art, and PE, all conducted in a vibrant, English-only environment.

Through engaging lessons and creative projects, students will expand their vocabulary, strengthen grammar skills, and build greater speaking confidence. They'll also enjoy hands-on activities that encourage teamwork, critical thinking, creativity, and cultural awareness.

Join us for a summer of discovery, creativity, and growth in English!

Learning Outcomes:

- Strengthen their English skills through: Reading, Creative writing, Speaking, Listening and collaborative activities.
- Apply key phonics patterns and grammar rules to improve spelling, sentence construction, and fluency.
- Develop problem-solving and critical thinking skills through hands-on STEM projects and experiments.
- Gain cultural awareness and global understanding by: Exploring traditions, languages, food and customs from around the world.
- Express creativity and personal identity through themed art projects and performances.
- Build teamwork, leadership, and sportsmanship during interactive physical activities inspired by global games.
